

We grant a 3-year manufacturer's guarantee on all clothing items of the ROSE brand, starting on the date of purchase. Your legal guarantee claims for defective goods (e.g. subsequent delivery in the form of compensation delivery or repair) towards us as your contractual partner are not restricted by this guarantee. This guarantee does not become effective in case of wear and tear (except where this is stated explicitly at the product), traces of use and improper treatment. For guarantee claims please send the defective item with a purchase receipt and a description of the defect to: ROSE Versand GmbH, 46395 Bocholt.
